

LASH LIFT PRE/POST CARE ADVICE

Ensure eyes are clean & free of mascara
Avoid applying oily products
Remove contact lenses

Do not get lashes wet for 24 hrs & avoid swimming, saunas/steam/activities that cause you to sweat for 48hrs

To prevent lashes from being manipulated into different positions, avoid touching/rubbing eyes or sleeping on your face for 24hrs

Be gentle with your lashes & Care for them by using a Lash Conditioning Serum daily
